第一條 目的

為增進亞洲大學健康產業管理學系(下稱本系)大學部學生之實務學習經驗，特規劃健康管理實習課程，且為使此實習課程相關作業有所遵循，特訂立本要點。

Article 1: Purpose

The internship course of Practice in Health Management is designed to enrich the practical learning experience of undergraduate students in the Department of Healthcare Administration at Asia University (hereinafter referred to as "the Department"). These regulations serve as guidelines for the implementation of tasks related to this internship program/course.

第二條 適用範圍及對象

一、適用範圍：本要點所稱實習課程，為必修 4 學分，實習時數以 320 小時為原則。有關實習機構之申請、名額分發、實習計畫、成果報告，及成績評核等作業，均按本要點規定辦理。

二、適用對象：健康管理實習之修課學生及本系實習相關成員。

此課程為本系大四上學期必修，但前置作業於學生大三期間進行，校外實習為大三升大四暑假期間，成果發表及書面報告，則於大四上學期進行。

Article 2: Scope and Applicants

1. Scope: The internship course referred to in these regulations is mandatory with 4 credits and consists of 320 hours for internship duration. The application and allocation for internship institutions, internship planning, report submissions, and performance assessments shall adhere to these regulations.
2. Applicants: Students enrolled in the internship course and related department personnel. This course is mandatory for seniors in their first semester, with preparatory work conducted during their junior year. The off-campus internship occurs during the summer break between the junior and senior years, and oral presentations and written reports take place in the first semester of the senior year.

第三條 修課規定及分發作業

- 一、修課規定：大一至大三上(共五學期)之「院基礎課程+系核心課程+系專業選修學程」實際修得學分數未達應修學分數 2/3 者，無法進行校外實習。轉學生原則上仍依此規定，但得由學生實務學習委員會進行個別學生實習資格認定。
- 二、實習機構選擇標準：醫療院所，以選擇通過教學醫院評鑑之醫院為原則。長照機構，以選擇通過評鑑合格之住宿型、社區型等長期照護機構為原則。衛生機構，以中央部會或地方政府衛生相關單位為原則。非上述之其它實習機構，須經學生實務學習委員會審議通過，方可作為學生實習之合作機構。
- 三、實習機構分發原則：因各機構提供實習名額有限，本系將以學生前四學期修課課程(排除通識、語文等校定必修課程)之總平均成績排序，成績較高者優先依其志願序安排實習機構。分發結果將在實習分發說明會公布。

Article 3: Course Enrollment and Allocation

1. Course Enrollment Requirements: Students must have obtained two-thirds of the required credits (College Core Courses + Department Required Courses + Department Elective Courses) by the end of the first semester of their junior year (five semesters in total) to be eligible for off-campus internships. Exceptions may be granted by the Student Practical Learning Committee for individual transfer students.
2. Criteria for Selecting Internship Institutions: In principle, hospitals that have passed teaching hospital evaluations, accommodation-based and community-based long-term care facilities that have passed evaluations, and health organizations recognized by central ministries or local government are qualified to be internship institutes. Any other internship institutions not mentioned above must be approved by the Student Practical Learning Committee before they can be considered as cooperative institutions for student internships.
3. Principles for Allocation of Internship Institutions: Due to limited openings, the Department prioritizes students' preferences based on average grades from the first four semesters (excluding general education and mandatory language courses). Students with higher grades will receive preference according to their internship placement choices. Allocation results will be announced at the Internship Allocation Meeting.

 - i. For every hour of absence, 1 point is deducted from the total semester grade.
 - ii. If accumulated absence hours exceed (not including) 16 hours, the student must retake the course.
 - iii. Absence hours, if agreed upon by the internship institution's supervisor, may be offset by making up the hours.
2. Evaluation by the Supervisor of the Internship Institution: The supervisor of the internship institution (or unit) will evaluate the student based on overall performance during the internship, referring to the "Student Internship Assessment Form" (see Appendix 3) provided by the Department. 第八條 實習成效之檢討與改進

本系主任、課程負責老師及所有實習輔導老師應對學生實習成效定期檢討，以求完善。其具體途徑包括：

- 一、課程負責老師應於實習結束後，蒐集學生之回饋意見，例如請學生填寫「學生實習回饋單」，以提供後續實習課程規劃與改進之參考。
- 二、課程負責老師應於實習結束後，蒐集實習機構(或實習單位)主管之回饋意見，例如填寫「實習機構對實習課程問卷」，以提供未來課程設計與教學改進之參考。
- 三、各實習機構之輔導老師應擇期訪視實習學生，適時關懷並指導學生。並協助彙整相關意見，回報本系學生實務學習委員會或系主任，以利檢討和改進。
- 四、系主任應每學期召開實習會議，以檢討和協調實習工作，並裁示相關作業。
- 五、學生因特殊情形而無法完成實習者，本系將評估實際狀況以提供配套措施，協助學生完成實習學分。配套措施包含觀看線上專業課程、文書作業練習、指定書籍，並需繳交心得及成果報告。若無法完成實習之原因可歸咎於學生個人疏失，包含但不限於缺曠異常、未能確實改善遲到早退等因素，得依實習總負責老師評分、實習機構意見，並經學生實務學習委員會決議，予以不通過，而無須提供配套措施。

Article 8: Review and Improvement of Internship Effectiveness

The department head, course instructor, and all internship mentors shall regularly review the effectiveness of student internships for improvement. Specific approaches include:

1. Course Instructors:
 - a. After the internship ends, collect student feedback, such as asking students to fill out a "Student Internship Feedback Form," to provide references for subsequent internship course planning and improvement.
 - b. After the internship ends, collect feedback from the supervisors of the internship institution (or unit), such as filling out an "Internship Institution Feedback Questionnaire," to provide references for future course design and teaching improvements.
2. Internship Mentors from Each Institution:

Visit the intern students during internships, care for and provide guidance. Also, assist in compiling relevant opinions and reporting back to the department's Student Practical Learning Committee or department head for further review and improvement.
3. The Department Head: Convene an internship meeting each semester to review and coordinate internship work and give directions for related tasks.
4. If a student is unable to complete the internship due to special circumstances, the Department will assess the actual situation to provide support measures to help the student complete the internship credits. Support measures include online professional courses, practice with clerical work, designated readings, and submitting reflections and reports. If the reason for failing to complete the internship can be attributed to the student's own negligence, including but not limited to excessive absences, failure to properly improve tardiness or leaving early, etc., the internship supervisor and the internship institution's feedback, upon the decision of the Student Practical Learning Committee, may lead to a failure without providing support measures.

第九條 其他

- 一、其他未盡事宜，悉以本系學生實務學習委員會討論後，呈報系務會議決議。
- 二、本要點經系務會議通過後實施，修正時亦同。

Article 9: Miscellaneous

2. These guidelines are to be implemented following approval at a department meeting and the same applies to amendments.
